Sir,

Alienation -- land revenue--Mangalore Taluk--Attavar village--T.S. Nos. 242/1 to 4 --Depressed Classes Mission--collection of land revenue--Neglect of officials--Report submitted.

Ref:- Board's Mis. No. 1823, L. R. & Settlement dated 28th June 1933, communicating G.O.1112 Mis. Revenue Department dated 23rd June 1933.

As already reported by me in my letter Ref (A6) B3-4038-3 dated 2nd March 1933 the amount invloved is Rs.153-2-0. This amount represents ground rent due for a pretty long period commencing from 1917 up to the last year and ought to have been taken to demand at the time of the annual Jamabandy. It would appear that when the grant was communicated to the Village Officers, it was entered in the alienation register but by some oversight treated as a free alienation. At subsequent jamabandis the Taluk and Village alienation registers were compared and found to agree but no reference was made back to the original grant to see if the conditions had been entered correctly. Theoretically this should be done at jamabandi, especially at the Collector's jamabandi. During the period in question fifteen jamabandis were held -- 4 by different Collectors and 11 by 8 different Revenue Divisional Officers. If at all, all the officers who have had a hand in these jamabandis, whether by way of preparing the accounts or by checking them, should be held responsible for the neglect and the amount should be re-

covered from all of them.

2. I tabulate below the class and number of officers who can thus be held responsible for the neglect.

Class of Officers.	No. of Officers.	Remarks.
Karnams	2	(One removed from service)
Revenue Inspectors	10	
Tahsildars	7	(All retired from service)
Revenue Divisional Officers.	8	(One dead and four retired from service)
Collectors	4	(One retired from service)
Taluk clerks who checked Jamabandi accounts.	10	(One dead and another retired from service).
Divisional Officers' clerks.	5	
---do--- Collector's Office clerks ----do--- Head clerks of the Divisional Offices . ..	4	(One retired from service)
	5	(One retired from service)
Huzur Sheristedars. ..	4	(3 retired from service). and 1 is a Dy. Collector

3. It will be seen from the above list that one of the Rev. Divisional Officers and one Taluk clerk are dead and a large number of clerks and Officers are no more in service. To penalise the rest because they are alive and in service does not seem proper. Each will have to be called upon to explain and no one will be able to offer any remarks without looking at the originals and veryfying how far he had a hand in the matter at all. The failure to collect the amount was mainly due to the fact that Depressed Classes Mission schools were well known charitable institutions and it occurred to no one that this school was not free from payment of any land revenue or ground rent. I have already reported that none of the Officers expected that in this particular instance, ground rent had been imposed. In this case, there has been no real loss to Government, since the remission of ground rent would have been granted as soon as it was applied for formally.

As the amount involved, is not very large, I recommend that its recovery may be waived.

Your obedient servant,

Alienation – Land Revenue (South Kanara) mangalore taluk – Attavar village – 3. S.Nos 242/1 to 4 – Depressed classes mission – Collection of Land Revenue – Neglect of officials
